STAY MENTALLY UNSTABLE

1

60K THOUGHTS A DAY

2

80% OF THEM ARE NEGATIVE

3

ASK YOURSELF THESE Q'S

- 1. What is true?**
- 2. Who am I?**
- 3. What action should I take?**

4

IDENTITY BEFORE ACTIVITY

KEEP HIDING YOUR FACE!

VOICEOVERS

Don't put yourself in them. Stay behind the camera. Don't have fun.

Don't use your personality. Make it as blah as possible. Obviously, that's what people want to see!

YOUR POSTS

There are 12 lenders that live in your neighborhood. Why try to be different from them?

Just post your typical content...they don't need to see you. They'll for sure remember you when it's time to buy a house.

YOUR LIFE

Don't be relatable! That's a horrible idea. Just be a Realtor 100% of the time.

Don't post what you're eating. Don't post what your family is doing on a Friday night. Don't post about the puppy you just adopted. Nobody cares.

**MAKE IT
ALL ABOUT
YOU!**

(please don't actually
listen to this advice)

1

**WHO DO YOU WANT
TO SERVE MOST?**

3

**WHERE DO THEY HANG
OUT REGULARLY?**

2

**WHAT DO THEY
NEED OR LACK?**

4

**WHAT DO THEY
RESPOND
TO THE MOST?**

ONLY POST ONCE A WEEK. YOU DON'T WANT TO ANNOY EVERYBODY!

You only annoy people when you post too much without adding value.

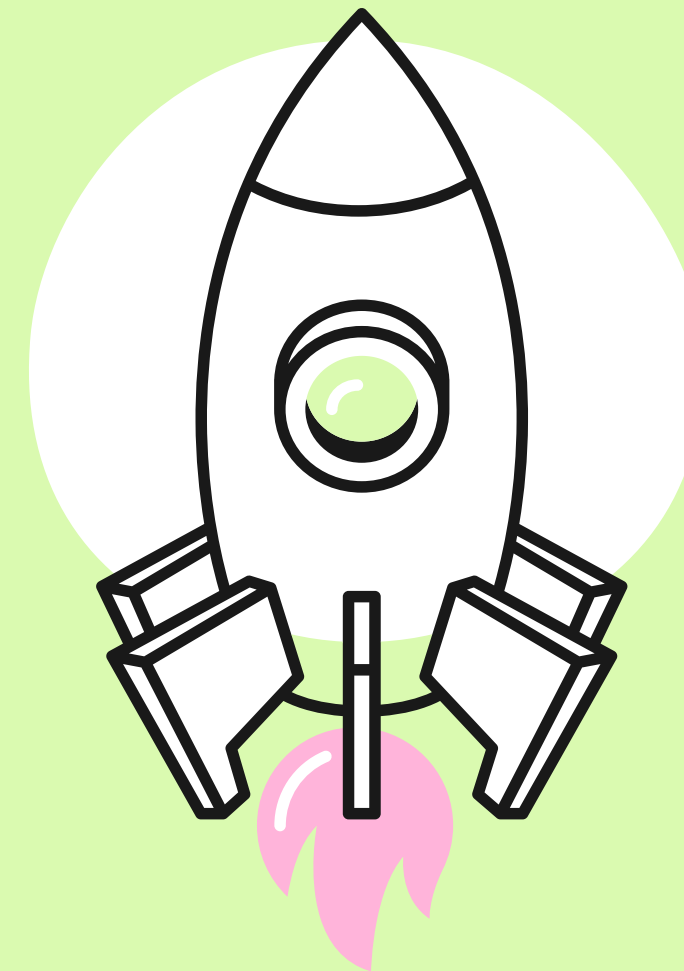

Think about this...if we meet in person, you'll add a ton of value through your knowledge and experience...

Now go do that on social media!

DON'T DO VIDEO, EVER!

Why would you want to position yourself in front of people every single day? Why would you want to create content that lasts for years?

secrets!

DO NOT TELL STORIES

“People get stuck, thinking they are one kind of person, but they aren’t . . . The human body essentially recreates itself every six months. Nearly every cell of hair and skin and bone dies and another is directed to its former place. You are not who you were in February.” - Donald Miller
